

PathScope™ Microscopy Solutions

Telepathology and Image Archiving for Pathology

PATHSCOPE

Targeted Solutions

PathScope™

PathScope Publication

Optimized for routine anatomic pathology to eliminate imaging time and ease telepathology consults.

PathScope Key Features

- On Scope Controls
- Pathology Interface
- Great Images
- 17.4 mm or 20 mm Field of View
- Parfocal with Eyepieces
- Auto-Calibrate * Pat. Pending
- One-Click Telepathology Connection
- One-Click Archive
- Auto-Accession
- Supports Your Microscope

**FITS
YOUR
SCOPE!**

PathScope: Focus on your slides and save time!

Designed for fast, time
saving production
in your lab.

①

CaseTender™

- BarCode
- Auto Login
- Case Image film Strip

②

On-Focus™

- Focal preview
- FOV preview

⑤

HistoSnap™

- Ergo Location
- Auto Annotation
- Auto Archive

③

17.4 mm
or 20 mm

**Insight™
CMOS**

- Large FOV
- In Focus
- Auto Exposer

④

MagMinder™

- Tracks your Magnification
- Fits Your Microscope

PathScope Presentation

Simple imaging system for high resolution slide presentation.
Optimized direct to monitor.

Tumor Board / Slide Review

Class room

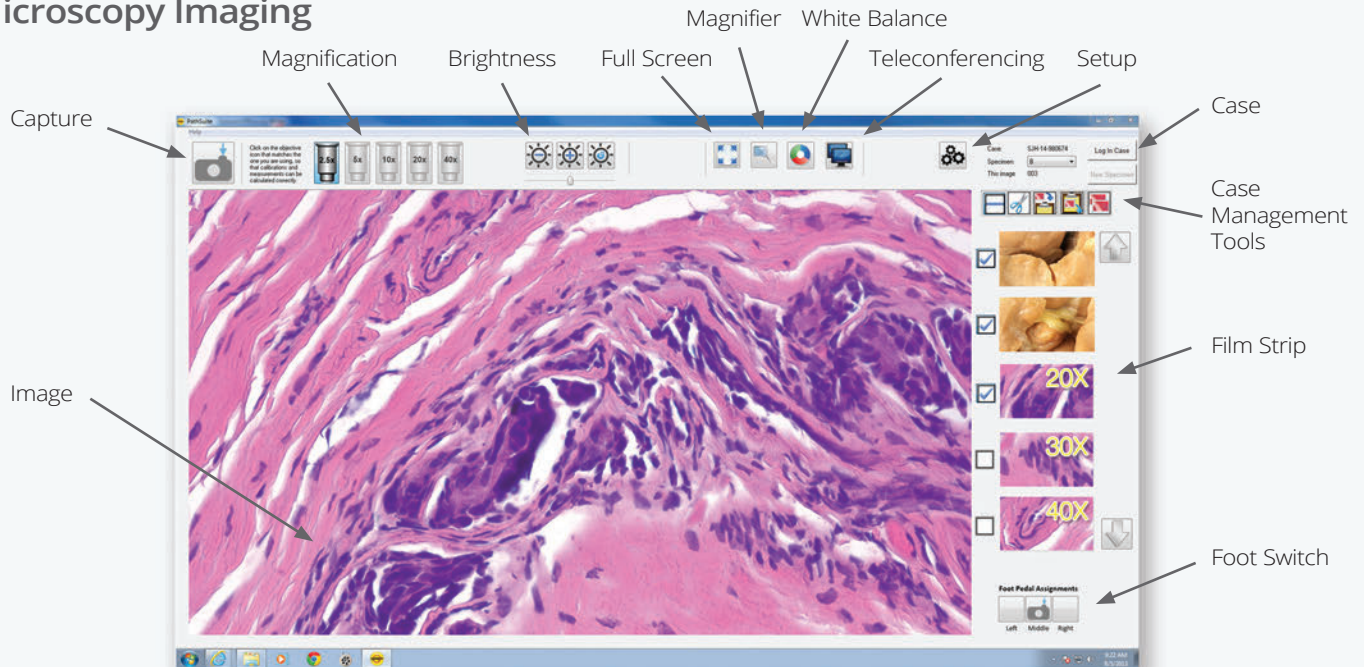

Presentation Key Features

- Live 4k UHD or 180p HD
- >30 fps
- Live ICC Color Correction
- Live Zoom & Pan
- Live Measure
- Right Click Capture Image
- Right Click Open Images

PathScope™ | Easy to Learn - Easy to Use

PathSuite provides the user with a simple icon driven user interface with one click access to essential controls. This makes PathSuite intuitive to learn and a pleasure to use. PathSuite supports both gross and microscopy imaging with a common user interface.

Microscopy Imaging

Streamline Workflow

③

Archive

A single click captures and saves images to multiple archive locations, adding annotations as needed.

①

Log In

PathSuite provides quick, accurate validation of your image with Case Tender™ Barcode scanner.

②

Preview

PathSuite makes image composition easy with live preview of your camera adjustments and your LIS.

PathScope™ | Optimized Interface

Measure and Annotate

PathSuite provides a full suite of annotation and measurement tools for detailing your images without transferring images between programs or computers.

Auto Imprints

Calibration marks and case numbers add visual reference to your image.

Measurement

PathSuite's pre-calibrated images allow for easy measurement of length, area and angle.

Custom Annotations

A full set of text and drawing tools ensure fully detailed images.

Style

Annotation style preferences are easily set or changed with control over numbering protocol, font, size, color, fill, etc...

Case Management Tools

Easily select, duplicate and move images to support your "after hours" and case management work.

Telepathology

PathSuite provides simple, secure connections and fully interactive live consults in a practical and affordable format.

Connect

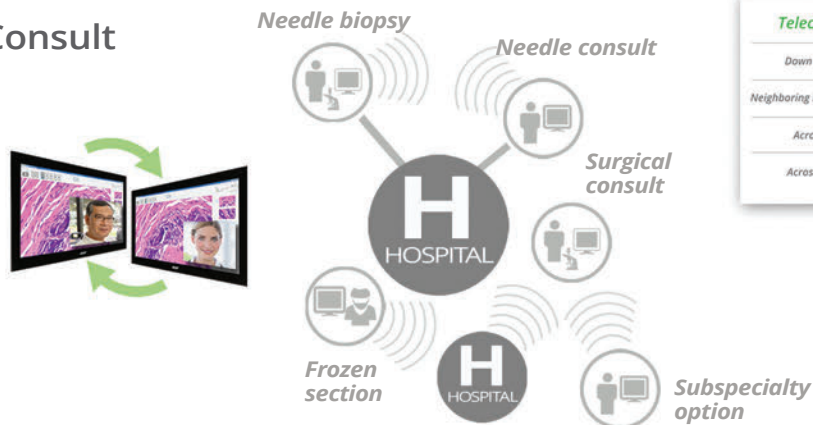

Colleague meetings are initiated by selecting the team member from the connection menu. The colleague receives an invitation prompt on their screen and joins the meeting with a simple click. Non-colleague attendees are easily added to meetings via e-mail invites. Once accepted, meetings are secured using guest passwords and data encryption, supporting HIPPA requirements.

Document

Discussion images are easily saved to the case with a click of a button, preserving results for later reference and follow up.

Consult

Save Time

Return on Your Investment

Our install base has garnered dramatic time savings on image acquisition across multiple pathology work tasks resulting in impressively short ROI periods, followed by ongoing savings year after year.

Routine Pathology Slide Examination

Time Saved per Slide		Slides per Day		Time Saved per Day		Time Saved per Year
2 Min	×	60	=	2 Hrs	or	520 Hrs

Routine Gross Dissection

Time Saved per Specimen		Specimens per Day		Time Saved per Day		Time Saved per Year
10 Min	×	12	=	2 Hrs	or	520 Hrs

Increase Consultations

Increasing intraoperative and needle biopsy adequacy consultations provides savings for the organization and the physician by eliminating unreimbursed secondary procedures and increasing patient satisfaction. Pathologists and Pathologist Assistants benefit from the increased efficiency of providing their consults virtually, avoiding the unproductive trip otherwise required.

PathScope™ | The Smart Choice

Professional Documentation

Consistent documentation of your work provides the foundation for quality assurance and process improvement. It is also the basis of how you are perceived by your patients, referring physicians and by the legal establishment.

Easy to Implement

SPOT Imaging has developed turnkey solutions with configuration options to support your facility's unique hardware and software infrastructure. The result is an optimized work environment that is easily implemented into your existing infrastructure.

"The installation was quick and we were imaging the next day!"

*Satisfied Pathology Assistant,
Canada*

Easy to Support

You are never alone with PathSuite technical service. Our 47-year tradition of standing behind our equipment ensures your uptime performance with on-line, on-phone or on-site assistance.

"We had a different system that was sitting in a box because we couldn't use it, PathSuite is so easy to use... Thanks SPOT Imaging!"

Medical Center, MI

Pathology Solutions to Support Your Whole Team

Microscope Imaging

- Routine Anatomical Pathology
- Frozen Section Consults
- Needle Biopsy Consults
- Tumor Board
- Teaching and Training

Macro Imaging

- Routine Gross Dissection
- Frozen Section Consults
- Teaching and Training

PathSuite ...The Standard Imaging Interface for the Pathology Laboratory

PathScope™ | Industry Leading Performance

Administrators...

"...the savings we achieve with the PathSuite software makes it a no - brainer investment justification. We feel that we are now a state of the art pathology operation..."

University, NC

Users...

"So intuitive and easy to use! ... now that we have SPOT, we get our work done quickly and without frustration! It works great! "

University, GA

IT/Technical Support...

"...SPOT stands behind their products with on line support, repair services and reliable products ... They've been there for us! "
